

Curriculum change period	January – March 31	July – October 31
Valid re-registration status after the curriculum change	Starting March 1, for the summer semester	Starting October 1, for the winter semester
What happens with my course and exam registrations for the winter semester?	Grading is no longer possible. A change of curriculum should only be made after the last unit/exam.	The registrations will be transferred during the semester (not immediately) – provided that the sequencing requirements are fulfilled.
What happens with my course and exam registrations for the summer semester?	The registrations will be transferred during the semester (not immediately) – provided that the sequencing requirements are fulfilled.	Grading is no longer possible. A change of curriculum should only be made after the last unit/exam.
For which semester can I make registrations again?	Summer semester	Winter semester
When can my exams, courses, and theses be graded again?	Starting March 1	Starting October 1
